

# U.S. Supreme Gold High Mileage Engine Oil

## *Description:*

Supreme Gold High Mileage oils are high quality engine oils designed for gasoline engine service in high mileage vehicles. They are formulated with superior Group II base stocks combined with modern performance additives, including a seal conditioner to help prevent leaks in higher mileage vehicles. Supreme Gold High Mileage oils are also formulated with a special viscosity index improver which provides excellent low temperature pumpability.

## *Features and Benefits:*

- Special seal conditioners to maintain engine seals in excellent condition preventing oil leaks.
- Excellent volatility control reducing oil consumption.
- Quality balanced formula promotes engine cleanliness and extends life of PCV system.
- Enhanced deposit control reduces wear, protecting highly loaded engine parts.
- Excellent oxidation protection needed for high temperature operating conditions.
